

NEW 348

INSPIRED BY

Get sailing with the new Hanse 348! Its **high rig** and sail plan is packed with enormous **performance** to deliver a maximum of **speed** – without compromising the **easy sailing** experience and handling in any weather. The wind is **free** and so are you too! This joy can also be found below deck, where you can breathe in the **fresh sea air** whenever you like from the many portholes, which is unique for a yacht of this class. At the same time, the windows turn the saloon into a **sun-filled lounge** that you have designed individually with **elegant wood** and our one-of-a-kind fabrics and décor.
